## FOREIGN EXCHANGE PARTNERSHIP

**S**GM-Foreign Exchange Ltd ('SGM') is an established boutique foreign exchange specialist in the heart of the City of London and provides a fast, efficient and secure global service on currency transactions for both private and corporate clients.

SGM is now able to offer its renowned client service in the highly competitive currency exchange market to IAC members at preferential rates.

SGM provides Spot or Forward contracts available in over 60 currencies. A dedicated account manager will monitor the market from start to finish on your behalf in your best interest.

SGM removes the hassle of currency transfers while saving you money. Whether you're buying or selling property, investing abroad or making international payments SGM will work for you throughout the whole process.

SGM can provide a secure suitable platform for handling those smaller routine transfers efficiently at competitive rates..
